VOTE - LIB DEM the Only Real Opposition:

You have **3 votes** in this election. You elected 2 **Lib Dem Councillors** last time round. **Lets go for Three!**

Currently 31 Tory Councillors control Spelthorne

Their total opposition is only 8. Use your vote to increase this.

Richard Dunn has lived in the Sunbury area for 40 years and his children went to Kenyngton Manor and Bishop Wand schools. He is married and semi-retired after having a successful career working in the Film Industry as a special effects Engineer. He has been an activist and campaigner for the Liberal Democrats for many years as well as a Borough Councillor and is currently the Chairman of Spelthorne's Neighbourhood Watch along with being a Spelthorne Tree Warden.

Bernie Spoor has lived in Sunbury since 1970 and has been a Councillor for the last two terms. **Bernie** is exceedingly concerned with the ongoing over-development and attacks on the green belt with apparently no concern for the local residents. He has taken action over crime and disorder issues and hopes the work done for young people will start to show fruit.

John Turner has lived in Sunbury for 13 years . He graduated in Zoology and has taught science for many years. His experience of working with people from diverse backgrounds has informed his belief in valuing diversity and equal opportunities, and a commitment to protecting all aspects of the environment from cleaning up polluted air to saving Kempton Park and other green spaces for future generations to enjoy. He believes in openness and transparency and will work to ensure this happens in Spelthorne.

Our Commitment to you

According to the Spelthorne Borough Council website, councillor attendance from the ruling Conservative administration continues to be an issue.

Some Conservative councillors are only attending 1 in 3 council meetings and this lack of engagement is becoming more commonplace.

Voting for Liberal Democrat councillors means voting for hard-working councillors - Strong attendance, regular surgeries with residents & focuses all year round keeping you informed.

Our Priorities based on your feedback

As Liberal Democrats, we're proud of our record of work in the local community. We have been keeping in touch all year round and listening to local residents about their priorities. Based on your feedback, these are our top priorities for the election.

1 Developing and investing in our green and open spaces - Improvements to our parks and protecting footpaths around our area.

2 Accountability and Transparency - Keeping up our regular Focuses and monthly surgeries to give help and advice to residents. We would want to increase scrutiny of the decision making process of Spelthorne Borough Council.

3 Protect our local services - To ensure that local residents are not left short amid Conservative cuts to the NHS, Police, Public Transport & Social care.
