Support Chris Bateson in this election

Both Chris and I are standing in the coming election, one each for the two County Council Divisions that cover the Staines area. We both care deeply about our areas and their residents. Whilst I am standing in Staines, I fully support Chris Bateson's campaign in Staines South and Ashford West and hope you will turn out and vote for him.

Chris is standing in the area that includes much of my Riverside and Laleham Ward. Those of you who supported my re-election as an Independent Borough Councillor in 2019, I would now ask you to support Chris Bateson at this election. If elected we will both fight for the recognition that Spelthorne so desperately needs.

Denise

Dear Resident

Denise and I are both active and respected Spelthorne Borough Councillors in the Staines area. We both agree that we are poorly represented by current Conservative Councillors, who for years have taken your vote for granted. They have been part of an administration which has not managed your affairs well, wasting money on high staff salaries and failed projects, whilst at the same time making cuts to vital services.

Neither of them is opposing a blatant Surrey grab for even more power, so they are going along with a plan for one Surrey Unitary Authority, based in Reigate, to cover all 11 Surrey Boroughs. They have failed to speak out against this, something they must know is not right for our area and its Residents. Spelthorne is already the poor relation within Surrey and would become even more remote under this proposal, with very little accountability to local people. I am committed to fighting this plan, so I ask for your support on 6 May and promise to fight your corner with all my energy as I have done as a Borough Councillor.

Chris
